2022-2023 CenterArts Member Benefits

All gifts to CenterArts are tax-deductible to the extent allowed by law and each donation of $50 or more entitles the donor to membership benefits with CenterArts for the 2022-2023 performance season. Please indicate below whether you would like to receive one or all of the gifts that apply to your benefit level or if you prefer to receive tax benefits for the full donation amount. If gifts are chosen, their value will be deducted from your donation amount in order to correctly determine your tax benefit amount. You will receive a letter from Cal Poly Humboldt that acknowledges your contribution. Donations may be made online at: **https://giving.humboldt.edu/center-arts-fund** or by completing and returning the form below:

Please include this form with your donation.
